ST. BENEDICT'S PREPARATORY SCHOOL

The following list includes all named scholarship and other restricted endowment funds that make up the school's total permanent endowment. Several funds were established by gifts of many years ago; some have grown in impact through subsequent and continuing gifts from family and friends of alumni, friends or teachers, in whose memory or honor the funds were created.

St. Benedict's is grateful to all those generous donors whose scholarship and other endowment gifts help us provide an education to many able, deserving students who could not otherwise come to grow and learn here.

st. benedict's dinner
ST. BENEDICT'S PREPARATORY SCHOOL

Honoree Robert Johnson M.D with Kehinde Togun'00

Rick Jacobs H'90, Abbot Melvin O.S.B.'56 and honoree Al Koeppe

BEGINNING with an impromptu visit by Newark's recently elected Mayor, Cory Booker, St. Benedict's Annual Dinner was as full of surprises and delights as any in recent memory. From the outstanding performance of the vocal ensemble, including an accompaniment on solo flute by Joseph Monticello'10 (Joe is the grandson of Ed Ponzini'58), to the reading of original and stirring poetry by Ahmad Kerr'06 and the personal reflections of senior Cameron Jones'06, more than 500 guests were both entertained and inspired.

And the above list doesn't even take into account the honorees: Alfred E. Koeppe, CEO of the Newark Alliance and the former President and Chief Operating Officer of Public

Service Electric and Gas Company (PSE&G) and Chief Executive Officer of Bell Atlantic-New Jersey; Robert Johnson, M.D, currently the interim Dean, Professor of Pediatrics, Professor of Psychiatry, and Director of the Division of Adolescent and Young Adult Medicine at the New Jersey Medical School of the University of Medicine and Dentistry of New Jersey. And – another surprise – baseball's all time "iron man" Cal Ripken Jr., who retired from the Baltimore Orioles after 21 seasons in 2001, was also

honored. All the honorees have remarkable histories of contributing to their communities – especially the children of their communities.

Fr. Edwin reminded the guests that St. Benedict's can nurture the talents of our students only because of the generosity of so many - both alumni and friends. He urged anyone moved by the words and performance of these extraordinary youngsters to join in the hard work of keeping St. Benedict's financially healthy for many more generations of young men.
